## MANCHESTER FASHION INSTITUTE

The UK Fashion & Textile Association (UKFT) is the most inclusive British fashion and textile network, set up by the industry for the industry. UKFT works with Government to lobby for export funding and support British exporters, commenting on behalf of the industry on the issues and challenges surrounding Brexit. UKFT represents designers, manufacturers and retailers of menswear, womenswear, childrenswear, lingerie, accessories, footwear, jewellery and textiles. If you are a buyer or an agent, UKFT can put you in touch with UK companies with great products.

*Créée par l'industrie pour l'industrie, UK Fashion & Textile Association (UKFT), association pour la promotion de l'habillement et du textile britanniques, rassemble les créateurs, fabricants et détaillants britanniques de prêt-à-porter masculin et féminin, de mode enfantine, de lingerie, d'accessoires, de chaussures, de bijoux et de textile. Le rôle de UKFT est à la fois de promouvoir et de soutenir les entreprises du secteur de l'habillement textile sur les marchés internationaux et de les soutenir dans leur démarche à l'export. Nous sommes la voix de l'industrie sur les nombreux défis liés au Bréxit. Que vous soyez acheteur ou agent, UKFT est à votre disposition pour vous trouver de nouveaux produits selon vos critères et pour vous aider à travailler avec de nouveaux partenaires britanniques.*
